NOTE.

As a temporary war-time expedient to economise in paper and labour, the contents of this volume (the first since January, 1940) have been much reduced and are designed to serve essential official requirements. The usual lists of cadres of the All India Services etc., particulars of many other posts and holders, and records of service of a number of officers otherwise eligible for inclusion have thus been held over.

Unless they appear elsewhere in the volume, names in the Alphabetical Honours List (pages 57-112), and in the Record of Services (pages 113-383) are omitted from the Index of Names (pages 384-000), Indian and Burman names are indexed as in the Civil Lists of the Central and Provincial Governments of India and of the Government of Burma.

The principle of selection followed in the Alphabetical Honours List and in the Record of Services (subject to the remarks in paragraph 1) is explained on pages 57 and 113, respectively.

It is requested that intimations of errors in the lists may be addressed to the Editor of the India Office and Burma Office List, India Office, Whitehall, London, S.W.1.

(3) *in other Civil employment in India or in Burma whose substantive pay (exclusive of overseas pay) is at least Rs. 1000 a month.*

Owing to the need for economy in labour and materials, it has not been found practicable to include in full particulars of the above classes of officers who retired between January, 1935, and January, 1940, or to retain the names of more than a limited number of officers who retired before January, 1935. The records of a number of officers eligible for inclusion have, for the same reason, been held over.

NOTE.—As a general rule, postings to officiating appointments are not shown.
